

----Do you want to make a difference? ----

Become an

ALBRAM Surgeries Car Scheme Driver

The ALBRAM Surgeries Car Scheme needs more volunteer drivers. A mileage allowance is provided.

The scheme is regulated by Cambridgeshire County Council and covers all patients registered with either Alconbury or Brampton surgeries.

This much-valued service provides door-to-door transport for people who need assistance getting to their medical appointments at the Surgeries, Hospital, Optician, Dentist, etc.

- Do you like to help people?
- Do you have a few hours to spare?
- Do you have a clean driving licence and your own car?

If interested, or would like further information, please contact the Scheme Administrator via:
