

Alconbury & Brampton Surgeries

Dispensary Update

August 2019

Electronic Prescription service

On the 9th of October we will be activating the Electronic Prescription Service. This means that for non-dispensing patients your prescription can be transferred to your nominated Pharmacy electronically without issuing a piece of paper.

Pharmacy Services

Our non-dispensing patients are able to choose their nominated Pharmacy from where to obtain their repeat prescriptions for regular medications. If you need an acute, urgent medication prescribed by the GP you are able to obtain this from any Pharmacy WITHOUT CHANGING your nominated Pharmacy for your repeats.

When a patient has a nominated Pharmacy in place this is recorded in their medical records. This will not be changed by the Dispensary unless we receive notification from yourselves, or another Pharmacy, that you have opted to make this change.

Flu Season 2019

We will be having two FLU DAYS this year due to the delayed delivery of vaccines from the supplier.

ALCONBURY FLU DAY - Saturday 12th October 2019 from 08.30-11am

BRAMPTON FLU DAY - Saturday 19th October 2019 from 08.30-11am

We will also have vaccines available in-between these dates so please just ask to be immunised if eligible and attending the Surgery for any other reason.

Pharmacy Services

Local Pharmacies available include (but are not exclusive to):

- **Alconbury Chemist** – Daily collection of orders from the Surgery with medications collected by patients in store. 01480 896038
- **Brampton Chemist** – Daily collection of orders from the Surgery with 2 working day nominated delivery service to Alconbury Surgery. 01480 386828
- **Boots Huntingdon** – Collection of orders from the Surgery Tuesday & Friday. Medications collected by patients in store. Delivery for patients unable to collect. 01480 457241
- **Halls The Chemist (Stilton/Castor)** - Daily collection of orders from the Surgery with 2 working day nominated delivery service to Alconbury Surgery or other specified location.. Freephone (08000) 71-51-31 or (01733) 380-380
